POST OFFICE STRUCTURE PLAN

Docket No. N2012-2

**NOTICE OF UNITED STATES POSTAL SERVICE  
OF FILING CORRECTED LIBRARY REFERENCE N2012-2/2 [ERRATA]**  
(July 5, 2012)

In accordance with Rule 31(b)(2), the United States Postal Service hereby provides notice today that it is filing the following public library reference in Docket No. N2012-2:

**PUBLIC LIBRARY REFERENCE**

USPS-LR-N2012-2/2      Earned Hours Data Relating to the Testimony of Witness  
Day (USPS-T-1)

This library reference provides materials in support of the Direct Testimony of Jeffrey C. Day on Behalf of the United States Postal Service (USPS-T-1). It includes revised spreadsheets showing the relevant CSV and SOV data from FY2011 for all Post Offices and retail facilities that utilize the respective variance programs. The original version of USPS-LR-N2012-2/2 contained a 12-week trend from FY2012 and was filed as an illustration of the data used in the respective variance programs. As the data were not used in making any determinations related to POSTPlan, the revised spreadsheets should clarify any open questions regarding the relationship between the presented data and the SOV and CSV data used in POSTPlan. The preface page included with the library reference describes the contents in more detail.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
